
Joanne Christopher-Mitchell
Franchisee Owner
Executive Search Consultant

Joanne Christopher-Mitchell represents some of the most prestigious **Foreign Banks, Law Firms and Financial Services** firms, nationally. For over a decade they have utilized her services to ensure that they get exposure to some of the strongest technology professionals. Her clients offer cutting edge technologies, growth opportunities and great work environments along with excellent benefits and organizational stability.

The types of distinguished technology professionals represented by Joanne are amongst the leaders in their professional accomplishments and achievements. Their levels range from staff and management, directors, vice president's & C-level executives. They look to her for unique opportunities where their dedication, creativity and commitment to providing excellent service would be recognized and rewarded.

Joanne joined American Recruiters in 2007 when she opened her American Recruiters' Franchise in Somerset, NJ. Her efforts are guided by her faith and the use of the American Recruiters' Mission Statement: **"to be the highest quality provider of human capital for our clients."** Some of Joanne's most significant achievements were that each year she generated on average \$8 - \$10M in consulting revenues, while her contemporaries were in performing in the \$2-3M range. She is results driven and has a long history of successful client relationships.

Currently an ordained Deacon in Central NJ, she serves a congregation of approximately 5000 members. Additionally, she volunteers as a project manager for "Vision Casting: Mentor Me", a national faith based seminar that empowers people to live their dreams. The program partners business owners with those who have an entrepreneurial spirit by offering mentorship to members who have not yet started their business, wrote a book, or a screenplay, etc.!

Established in 1982, American Recruiters has since expanded its network of offices throughout the United States. Our locations work in concert with each other and partner with our clients, strategically aligning them with the highest quality human capital available in today's competitive market.
